Plan of Distinction

We have created Funeral Service Plans to include all of the items and services traditionally selected by our families. By combining all of these items together in a simple plan, we are able to relive the stress from choosing all of these items individually from our price list and offer financial savings. The service components include the Minimum Service of Funeral Director and Staff; Preparation ; Services such as Embalming and Dressing & Casketing; Transfer of Deceased from Place of Death to the Funeral Facility; Use of Facilities and Staff; Visitation; Graveside, Church or Chapel Service.

A Plan of Distinction may also include Transportation for Family and/or Pallbearer use. Vehicle use is limited to a 75-mile radius (addi'l distance will be charged at ($4.00) rated day/ per mile. Scvs **do not** include cemetery services *(generally 1300.00* or cash advance items.
