We have created Funeral Service Plans to include all of the items and services traditionally selected by our families. By combining all of these items together in a simple plan, we are able to relive the stress from choosing all of these items individually from our price list and offer financial savings. The Speciality Plan may also include Transportation for Family and/or Pallbearer use. Vehicle use is limited to a 50-mile radius (additional distance will be charged at ($4.00) rated day/ per mile.
