

The Cremation Plan *Catalog*

We have created Cremation Plans to include all of the items and services traditionally selected by our families for Cremation Services.

By combining all of these items together in a simple plan, we are able to relieve the stress from choosing all of these items individually from our price list and offer financial savings.

The service components include the Minimum Service of Funeral Director and Staff; Preparation Services; Transfer of Deceased from Place of Death to Funeral Home; Refrigeration Charges or Embalming; Crematory Fee; Urn; Cremation Container or Casket.

Plans **may** also include Use of Facilities and Staff; Visitation; Church or Chapel Service; Transfer of remains and all vehicle use up to a 50-mile radius (additional distance will be charged at \$ (Market Daily rate), per mile. Services do not include cemetery services and merchandise, cash advance items.

Texas Department of Banking required statement: NOTICE*** No refund or credit will issued for package sale goods or services which remain unused by the customer at the time of need.
