

The Cremation Plan *Catalog* Online September 01, 2025

Direct Cremation Services are conducted within a 48 hour timeline! Other timelines are available.

We have created Cremation Plans (Immediate / at-need . **within 48 hrs.**); that include all of the items and services traditionally selected by our families for Cremation Services (**immediate / at-need , within 48 hrs.**).

By combining all of these items together in a simple plan, we are able to relive the stress from choosing all of these items individually from our price list and offer financial savings.

The service components include the Minimum Service of Funeral Director and Staff; Preparation Services; Immediate Transfer of Deceased from Place of Death to Funeral Facility; Refrigeration Charges for required **24 hour** time frame; Urn (optional); Cremation Container or Casket .

Plans **may** also include Use of Facilities and Staff; Visitation; Church or Chapel Service; Transfer of remains and all vehicle use up to a 50-mile radius (additional distance will be charged at \$\$ (Market Daily rate), per mile.

Services do not include cemetery services , other merchandise or cash advance items.- (Crematory Service Fees).

Texas Department of Banking required statement:

NOTICE*** No refund or credit will issued for package sale goods or services which remain unused by the customer at the time of in need
